

Deleting Assessments

OVERVIEW

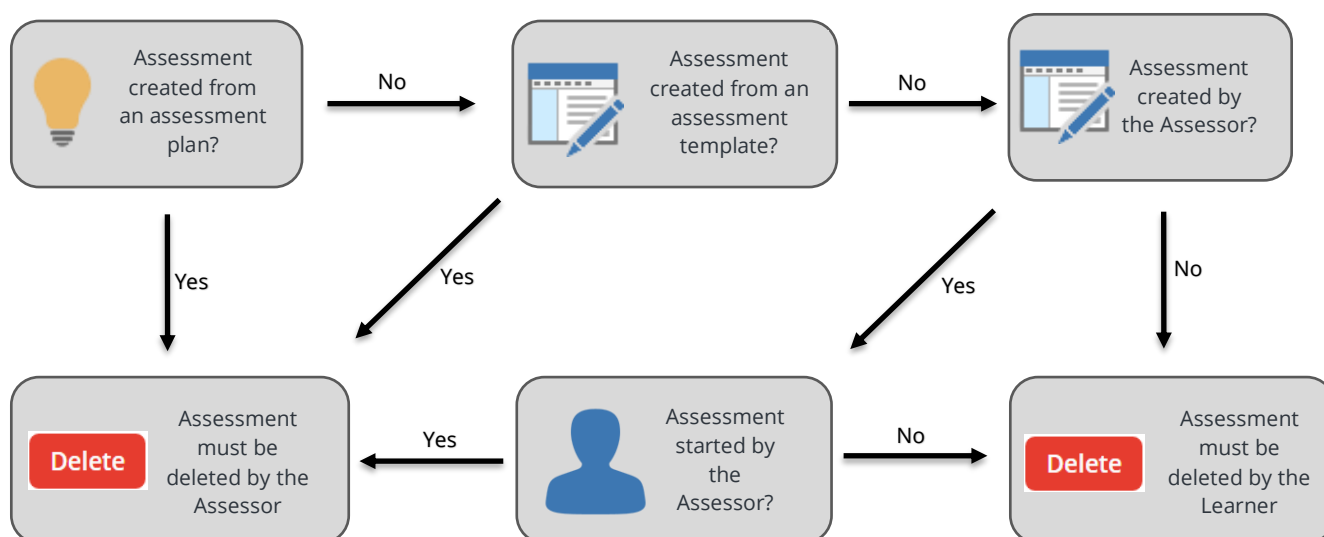

Any type of assessment can be deleted once it has been created. However, the way the assessment was created and the person that started the assessment has an impact on who will be able to delete it.

USER RESTRICTIONS

Only Assessors and Learners can delete assessments.

DETAILS

Use the flow chart below to determine whether an assessment can be deleted by the assessor or learner.

Remember - the assessment must be locked to the person that can delete the assessment for them to see the delete button.

Use the Padlock icon to unlock the assessment to the Assessor or to the Learner based on the outcome of the chart above.
